Learn about first- and third-party bad faith trends and theories, including the *Restatement of Law on Liability Insurance*, from the perspectives of an insurance expert and a successful policyholder attorney.

Become versed in unique bad faith exposures that arise from non-traditional policies, claims between insurers, reinsurance, institutional conduct, class actions, and post-litigation conduct.

Gain insight (and two hours of ethics credit) into the potential for disclosure of confidential communications and conflicts that arise in the bad faith arena.

Hear from veteran in-house and law firm practitioners about bad faith traps, including consent judgments, and how to fight back, particularly in insurance-unfriendly jurisdictions.

Get practical advice for defending bad faith lawsuits from seasoned trial lawyers, in-house managers of extra-contractual litigation, and a trial consultant.

Diversity and Inclusion in DRI: A Statement of Principle

DRI is the largest international membership organization of attorneys defending the interests of business and individuals in civil litigation.

Diversity is a core value at DRI. Indeed, diversity, which includes sexual orientation, is fundamental to the success of the organization, and we seek out and embrace the innumerable benefits and contributions that the perspectives, backgrounds, cultures, and life experiences a diverse membership provides.

Inclusiveness is the chief means to increase the diversity of DRI’s membership and leadership positions. DRI’s members and potential leaders are often also members and leaders of other defense organizations. Accordingly, DRI encourages all national, state, and local defense organizations to promote diversity and inclusion in their membership and leadership.
DRI wishes to thank our sponsors for their support at this year’s seminar!
