

DRI Cannabis Law Seminar Community Service Project

*DRI is excited to partner with the **Veteran's Cannabis Project** to raise money and awareness for this organization.*

The Veterans Cannabis Project is dedicated to improving U.S. military veterans' quality of life through the opportunity of full and legal access to medical cannabis. The VCP advocates on

behalf of vets for cannabis access, educates policymakers and the public about the value of cannabis to veterans, supports vets with resources needed to understand the value of medical cannabis, and works to create a community that can fix the nation's approach to cannabis and provide veterans with safe, legal access.

Your financial support directly impacts the lives of those who have sacrificed so much for our country and aids our mission to empower veterans to control their personal health safely and effectively. Your contribution provides tangible and innovative opportunities for veterans to heal and grow.

Please consider donating and supporting this wonderful organization: <https://www.vetscp.org/donate>

If you choose to donate, please click the "write us a comment" box and write in "DRI Cannabis" when you make your donation. Thank you!
