Auto Pay Terms and Conditions

AP-2017-03

The following terms and conditions apply if you are enrolled in AutoPay:

By opting in for the automatic membership dues renewal on the reverse side, you hereby authorize DRI, Inc. on a recurring and automatic basis to annually renew your DRI membership and NFJE contribution (NFJE is an optional \$35 fee) and charge the applicable membership and the optional NFJE donation to the credit card that you place on file.

You understand that DRI will initiate charges pursuant to this authorization not to exceed the amount shown on your DRI invoices. DRI will initiate transfers or charges each year on the date your invoice is due.

DRI may discontinue processing of recurring charges if DRI is unable to secure funds from your debit or credit card for the payments you have authorized due to, but not limited to, insufficient or uncollected funds or insufficient or inaccurate information you provide.

You also understand that this authorization to pay your DRI membership by recurring charges or debits is entirely optional and is not required to obtain or maintain your membership with DRI.

You are responsible for providing DRI with accurate payment information if such information changes in the future.

If you initially received a free or discounted dues rate as part of a special offer upon joining DRI, your renewal dues will be charged at the full rate for your membership category beginning on the date your invoice is due.
