# DRI Sponsorship Policies

## Provisions

All sponsorships will be confirmed by a sponsorship agreement issued by DRI and completed by the firm/company representative. Fees are non-negotiable/non-refundable. Payment must be received at the time of signature in order to reserve the sponsorship. No refunds will be issued unless the seminar cannot be held. Seminar dates and events are subject to change. Sponsors will be notified.

Sponsorship of any of the activities covered herein is limited to the sponsorship of one event per seminar, not the seminar itself. Joint sponsorship opportunities are available for most events, subject to the approval of each potential joint sponsor and DRI, in advance.

DRI limits the number of sponsors per seminar and event in order to maximize the exposure of the sponsoring firm/company. DRI reserves the right to decline any offered sponsorship regardless of past participation.

Signature on the agreement represents acceptance of all rules set forth here. In the event of fire, strikes, riots, civil commotion, acts

of God, war or other unavoidable circumstances rendering it impossible or impractical for DRI to perform this agreement, DRI's performance under this agreement shall be excused. In such event, all payments made by the sponsoring firm/company shall be refunded in full.

## Endorsements

Sponsorship of a DRI seminar does not constitute an endorsement by DRI, nor does it imply co-sponsorship of the seminar.

## Signage

DRI will provide all signage for sponsored events. In order to have the company/firm name listed, it must be incorporated into the logo that is submitted to DRI. For seminars with multiple sponsors, some additional signage may be used to recognize all sponsors. Corporate logo banners or promotional items may not be used unless approved by DRI in advance.

## Sponsorship Renewal Policy

DRI sponsors are provided with an invitation to renew their current sponsorship for up to three consecutive years. Within 30 days following a seminar, sponsors will be

offered the option to accept or decline a right-of-first refusal email invitation. The option is available for a period of no longer than three weeks.

If a sponsor does not accept their right-of-first refusal invitation during this period of time, the option to renew is lost and the sponsorship is open to the public on a first-come, first-serve basis. Sponsors are responsible for contacting DRI directly to secure sponsorships that become open to the public.

Once a sponsorship is renewed, sponsors may upgrade to another available sponsorship up to six months prior to the date of the seminar. After this period of time, upgrades are not accepted. Upgrades are subject to an additional non-refundable fee of \$500 over and above the cost of the sponsorship. To secure the upgraded sponsorship, a signed agreement and the \$500 is due to DRI within 15 business days of receiving the agreement. Once an upgrade is made, sponsors forfeit the right-of-first refusal option on the original sponsorship.

## The Five Roles of DRI

**Education:** To teach and educate and to improve the skills of the defense law practitioner

**Justice:** To strive for improvement in the civil justice system

**Balance:** To be a counterpoint to the plaintiff's bar and seek balance in the justice system in the minds of potential jurors and on all fields where disputes are resolved

**Economics:** To assist members in dealing with the economic realities of the defense law practice, including the competitive legal marketplace

**Professionalism and Service:** To urge members to practice ethically and responsibly, keeping in mind the lawyer's responsibilities that go beyond the interest of the client to the good of American society as a whole

## Diversity and Inclusion in DRI: A Statement of Principle

DRI is the largest international membership organization of attorneys defending the interests of business and individuals in civil litigation.

Diversity is a core value at DRI. Indeed, diversity, which includes sexual orientation, is fundamental to the success of the organization, and we seek out and embrace the innumerable benefits and contributions that the perspectives, backgrounds, cultures, and life experiences a diverse membership provides.

Inclusiveness is the chief means to increase the diversity of DRI's membership and leadership positions. DRI's members and potential leaders are often also members and leaders of other defense organizations. Accordingly, DRI encourages all national, state, and local defense organizations to promote diversity and inclusion in their membership and leadership.

## Harassment and Discrimination

DRI is committed to the policy of equal opportunity regardless of race, color, religion, sex, sexual orientation, gender, national origin and disability in all of its programs and activities, as well as maintaining an environment in our programs and activities which is free from all forms of harassment or discrimination of any kind.
