

International Day of Service

The DRI Foundation, along with participating state, local and national defense organizations (SLDO/NDOs), held its third annual International Day of Service. The Foundation asked SLDO/NDOs to hold a service project of their choice, irrespective of size or scope, anytime during the month of September. Participation gave SLDO/NDOs the chance to give back to the community; strengthen relationships with DRI members and SLDO/NDOs across the nation; assist in membership development; and generate positive publicity.

Thank you to the following organizations for their participation in the 2024 International Day of Service.
